OVERVIEW

The Hollow Steel Wall Frame Holder is a mounting accessory designed to support and display wall frames and panels in commercial and residential applications, including galleries, offices, and institutional spaces. Constructed from steel, it provides stable support while maintaining a low-profile appearance suited to professional environments.

The holder measures 12 × 30 mm in cross-section, with a height of 2 3/8 inches and a diameter of 0.5 inches. Its hollow construction simplifies installation and allows for mounting on a range of wall surfaces. The compact, lightweight form factor accommodates various frame sizes for artwork, photographs, and certificate displays. Supplied 10 pieces per bag.

Covered by a 1-year warranty.
