

Board Support Standoff, Brushed Silver, 40 mm Dia. x 70 mm H, 25 mm Screw, 2-Pack

- Brushed silver finish for board and panel mounting
- 40 mm diameter body with 70 mm standoff height
- Imperial equivalent of 1.57 in diameter by 2.75 in height
- Includes 25 mm screw for installation and field adjustment
- Supplied two pieces per bag
- Backed by a 1-year warranty

OVERVIEW

The BS-7040 Board Support Brush in silver is a compact mounting support designed for organized board and panel installation in commercial and light industrial applications. Its slim profile measures 40 mm in width and 70 mm in height, and the included 25 mm screw simplifies installation and field adjustment.

Constructed for durability under daily use, this support brush is built to resist wear and maintain reliable performance over time. Units are supplied two pieces per bag for paired board mounting.

Covered by a 1-year warranty.
