

Board Support Standoff, Brushed Silver,
30 mm Dia. x 90 mm H, 2 Pieces per Bag

- Brushed silver finish suited to architectural interiors
- 30 mm width by 90 mm height overall body dimensions
- 3 in standoff mounting height for panel offset from the wall
- 1-3/8 in barrel diameter for a broad panel bearing face
- Packaged 2 pieces per bag for paired board supports
- Backed by a 1-year warranty

OVERVIEW

The BS-9030 Board Support Brush is a compact standoff-style mounting accessory used to hold sign panels, boards and graphic substrates off a wall or backing surface in commercial signage and workspace installations.

The body measures 30 mm wide by 90 mm high, corresponding to a 3 in mounting height and a 1-3/8 in barrel diameter, and carries a brushed silver finish suited to architectural interiors. The defined bearing face provides a stable contact area for securing panels in position, and units are packaged two pieces per bag for paired supports.

Covered by a 1-year warranty.
