

Stainless Steel Standoff Frame Holder, 25 mm H x 12 mm Dia, 10 per Bag

- Solid stainless steel body for corrosion resistance
- Barrel dimensions of 25 mm height by 12 mm diameter
- 1 in standoff height for low-profile panel mounting
- Packaged 10 pieces per bag for multi-point layouts
- Wall-mounted installation on standard interior substrates
- Backed by a 1-year warranty

OVERVIEW

The BS-A2512 is a solid stainless steel standoff wall frame holder used to mount artwork, photographs, framed documents and signage panels on interior wall surfaces. It is supplied 10 pieces per bag for multi-point layouts across commercial and residential interiors.

The barrel measures 25 mm in height by 12 mm in diameter (1 in height), giving a low-profile standoff depth that suits a range of frame and panel sizes. Solid stainless steel construction provides corrosion resistance and long-term structural durability, and installation is straightforward on standard wall substrates.

Covered by a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h
