

Stainless Steel Wall Frame Holder
Standoff, 12x30mm, 1 - 3/8" Height, 10
per Bag

- Solid stainless steel body resists corrosion and surface wear
- 12×30mm barrel with 1 - 3/8" standoff height for low-profile mounting
- Supplied 10 pieces per bag for multi-point frame layouts
- Wall-mounted design compatible with most standard frame types
- Backed by a 1-year warranty

OVERVIEW

The BS-A3012 Solid Stainless Steel Wall Frame Holder is a compact standoff-style mounting accessory for securely displaying frames and panels in commercial and professional environments. Measuring 12×30mm with a 1 - 3/8" height profile, it provides a low-profile, balanced hold suitable for most standard frame types.

Constructed from solid stainless steel, the holder offers inherent resistance to corrosion and wear, making it appropriate for installations where longevity and finish retention are priorities. Installation is straightforward, and each bag contains 10 pieces for multi-point layouts.

Backed by a 1-year warranty.
