

Stainless Steel Standoff Frame Holder,
25x30 mm, 1- 3/8 in Height, 2 pcs/bag

- Solid stainless steel body for corrosion resistance
- Barrel dimensions of 25×30 mm with 1 in diameter
- Standoff height of 1- 3/8 in from the mounting surface
- Packaged 2 pieces per bag for multi-point layouts
- Backed by a 1-year warranty

OVERVIEW

The BS-A3025 is a solid stainless steel standoff wall frame holder used to mount framed panels, signage and display boards in commercial and residential interiors. With a 25×30 mm body, a 1 in diameter and a height of 1- 3/8 in, it suits a range of frame and panel sizes.

Solid stainless steel construction provides corrosion resistance and long-term structural support, and the compact barrel keeps the mounting hardware discreet against the wall. Each bag contains 2 pieces for standard two-point or four-point layouts.

Supplied with a 1-year warranty.
