

Stainless Steel Standoff Frame Holder, 25 x 40 mm, 1 in Height x 1 in Diameter, 2 per Bag

- Solid stainless steel body resists corrosion and wear
- 25 × 40 mm barrel with 1 in height and 1 in diameter
- Rated for indoor and outdoor mounting locations
- Supplied two pieces per bag for paired installations
- Backed by a 1-year warranty

OVERVIEW

Solid stainless steel wall frame holder used to mount and display framed panels, signage and flat board stock in indoor and outdoor environments. Measuring 25 × 40 mm with a 1-inch height and 1-inch diameter, it provides a stable standoff mounting point for galleries, commercial interiors and architectural display work.

Constructed from stainless steel, the holder resists corrosion and general wear, making it appropriate for exposed or high-traffic locations. The low-profile body integrates with existing wall surfaces, and the item is supplied two pieces per bag for paired mounting.

Covered by a 1-year warranty.
