

Stainless Steel Standoffs, 8x17mm and 8x70mm, 2 Pieces per Bag, Sign and Panel Mounting

- Stainless steel construction for corrosion resistance
- Two body lengths offered: 8x17mm and 8x70mm
- 8mm diameter barrel for signage and glass panel mounting
- Supplied two pieces per bag with installation hardware
- Backed by a 1-year warranty

OVERVIEW

The BS-B70 Stainless Steel Standoffs are available in two sizes—8x17mm and 8x70mm—designed for mounting signs, displays, and glass panels in commercial and architectural applications. The 8x17mm size suits compact installations, while the 8x70mm provides extended support for larger panel assemblies.

Both sizes are fabricated from stainless steel, offering corrosion resistance and structural durability suited to demanding installation environments. Each bag contains two pieces along with the hardware required for installation.

Covered by a 1-year warranty.
