

Screw Cover Caps, 14 mm Diameter, Indoor and Outdoor Rated, 4 Pieces per Bag

- 14 mm diameter cap sized to the corresponding screw head
- Supplied 4 pieces per bag for multi-fastener runs
- Rated for both indoor and outdoor installation
- Wear-resistant construction for exposed fastener locations
- Push-on installation requiring no special tools
- Covered by a 1-year warranty

OVERVIEW

The BS-SC14 is a 14 mm screw cover cap used to conceal exposed screw heads and provide a finished appearance on commercial and residential installations. Typical uses include sign mounting, fixture assembly, and any fastener location where a clean final surface is required.

The cap seats snugly over screws of the corresponding 14 mm size and is constructed from wear-resistant material rated for indoor and outdoor use. Installation requires no special tools or additional hardware. Each bag contains 4 pieces.

Covered by a 1-year warranty.
