

Additional PIR Sensor Heads for C-ES32 Linear High Bay, 2-Pack

- Includes two PIR sensor heads per package
- Compatible with C-ES32 linear high bay fixture
- Suitable for expansion of motion detection coverage
- Suitable for replacement of existing sensor units

OVERVIEW

The C-ES32-Z-SEN-2 consists of two replacement or expansion PIR sensor heads compatible with the C-ES32 linear high bay fixture. These sensor heads support installations that require additional motion detection coverage or replacement of existing sensor units within the C-ES32 system.

APPLICATIONS

- Warehouse high bay lighting
- Industrial facility motion sensing
- Retrofit of existing C-ES32 fixtures
- Distribution center aisle lighting
