

1 - Gang Toggle Wall Plate, Night Black Brass Finish, 120V/15A, UL Listed

- Single-gang configuration with one toggle-switch opening
- Brass construction with Night Black finish
- Rated for 120 V, 15 A circuits
- IP20 ingress protection, Non-Waterproof rating
- UL listed for code-compliant installations
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-1-T is a single-gang toggle wall plate with one toggle-switch opening, finished in Night Black to match an all-black device aesthetic. It is intended for single-gang electrical boxes housing standard toggle-style switches in residential and light commercial wiring applications.

The wall plate is constructed of brass and is rated for 120 V, 15 A circuits. It carries a Non-Waterproof environmental rating with an IP20 ingress protection rating, suitable for standard indoor dry-location installations.

The device is UL listed and backed by a 1-year warranty.
