

2-Gang Wall Plate, Decorator and Toggle Openings, Night Black Brass, 120V 15A

- 2-gang configuration with one decorator opening and one toggle opening
- Brass construction with Night Black finish
- Rated 120V at 15A maximum current draw
- IP20 environmental rating for indoor dry-location use
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-2-D-T is a 2-gang wall plate configured with one decorator opening and one toggle opening, finished in Night Black to match an all-black electrical aesthetic. It is intended for residential and light commercial wiring installations where mixed switch types are combined on a single plate.

The plate is constructed from brass and rated for 120V/15A service, with a Non-Waterproof, IP20 environmental rating suited to standard indoor dry-location use.

The product is UL listed and carries a 1-year warranty.
