

2-Gang Wall Plate, Night Black Brass Finish, 120V 15A, UL Listed

- 2-gang wall plate configuration for standard device layouts
- Solid brass construction with Night Black all-black finish
- Rated 120V at 15A for standard branch circuit devices
- IP20 environmental rating, Non-Waterproof classification
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-2-G-S is a 2-gang wall plate finished in Night Black brass, built for standard device configurations in residential and light commercial installations. The all-black brass construction provides a consistent, low-profile appearance suited for modern or industrial interior applications.

Rated for 120V / 15A service, the plate is constructed of brass with an IP20 environmental rating and a Non-Waterproof classification, appropriate for dry indoor locations.

The device is UL listed and carries a 1-year warranty.
