

2-Gang Wall Plate, Night Black Brass Finish, 120V/15A, UL Listed

- 2-gang wall plate configuration for combined switch or outlet openings
- Night Black finish over solid brass construction
- Rated for 120V operation at up to 15A
- IP20 rated for non-waterproof, indoor installation only
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-2-S-S is a 2-gang wall plate finished in Night Black with an all-black brass construction. It is intended for residential supply configurations where two switch or outlet openings are combined under a single consistent dark finish.

The device is rated for 120V/15A operation and carries an IP20 rating for non-waterproof, indoor applications. Brass construction supports durable, corrosion-resistant use in standard interior wiring installations.

The C-VTG-AB-2-S-S is UL listed and backed by a 1-year warranty.
