

2 - Gang Switch and USB Wall Plate, Night Black Brass, 120V 15A, UL Listed

- 2-gang configuration with one switch opening and one USB opening
- Night Black brass finish for consistent all-black aesthetic
- Rated 120V AC at 15A for standard branch circuit wiring
- IP20 rating for non-waterproof indoor installation
- UL listed for verified safety compliance
- Backed by 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-2-S-U is a 2-gang wiring device combining one switch opening and one USB opening, finished in Night Black brass for a consistent all-black aesthetic. It is intended for standard 2-gang wall boxes in residential and light commercial supply applications.

The device is rated for 120V AC service at 15A, compatible with standard branch circuit wiring, and carries an IP20 rating for non-waterproof indoor use. The brass body construction supports durability suited to finish-grade electrical installations.

The device is UL listed and backed by a 1-year warranty.
