

2 - Gang Tamper-Resistant Duplex Outlet, Night Black Brass, 15 A 120 V

- Two-gang configuration with tamper-resistant openings
 - Rated 15 A at 120 V for standard residential circuits
 - Brass construction with Night Black all-black finish
- IP20 rated for non-waterproof indoor dry-location use
 - UL listed for safety compliance
 - Backed by 1-year warranty

OVERVIEW

The C-VTG-AB-2-T-T is a 2-gang tamper-resistant duplex outlet finished in Night Black brass, intended for residential supply applications where a dark, all-black aesthetic is specified. The two tamper-resistant openings provide an added layer of safety at the receptacle face.

This outlet is rated 15 A at 120 V and constructed of brass with an IP20 rating, suited to standard indoor dry-location installations.

The device is UL listed and carries a 1-year warranty.
