

3-Gang Decorator Wall Plate, Night Black Brass Finish, 120V/15A, UL Listed

- Three decorator openings for Decora-style switches or receptacles
- Night Black brass finish for a consistent, finished appearance
- Rated for 120V circuits at up to 15A
- IP20 environmental rating for indoor, non-waterproof locations
- UL listed assembly
- 1-year warranty

OVERVIEW

The C-VTG-AB-3-D-D-D is a 3-gang decorator-style wall plate finished in Night Black brass, configured with three decorator openings for use with Decora-style switches, receptacles or combination devices. It suits residential and light commercial wiring installations where a consistent, finished appearance across multiple devices is required.

The wall plate is rated for 120V and 15A circuits, with an IP20 environmental rating suited to indoor, non-waterproof locations. It is constructed of brass for durability in standard interior conditions.

The assembly is UL listed and carries a 1-year warranty.
