

3-Gang Wall Plate, Two Decorator Openings and One GFCI, Night Black Brass, 120V/15A

- 3-gang configuration with two decorator openings and one GFCI opening
- Brass construction with Night Black finish
- Rated 120V at 15A maximum current draw
- IP20 environmental rating for dry indoor locations
- Non-Waterproof rating, not for wet or damp locations
- UL listed with 1-year warranty

OVERVIEW

The C-VTG-AB-3-D-D-G is a 3-gang decorator-style wall plate finished in Night Black, configured with two decorator openings and one GFCI opening. It is intended for residential and commercial supply applications where multi-device wall plates are required in a single gang assembly.

Constructed from brass, the plate carries a 120V/15A rating and an IP20 environmental rating, suitable for standard indoor dry-location use. It is listed as Non-Waterproof and is not intended for wet or damp locations.

The device is UL listed and backed by a 1-year warranty.
