

3-Gang Wall Plate, Two Decorator Openings and One Switch, Night Black Brass, 120V 15A

- Three-gang configuration with two decorator openings and one switch opening
- Night Black brass finish for a unified all-black aesthetic
- Rated for 120V AC service at 15A maximum current
- IP20 rating for standard indoor dry-location use
- Non-waterproof environmental rating
- UL listed with a 1-year warranty

OVERVIEW

The C-VTG-AB-3-D-D-S is a 3-gang wall plate configured with two decorator openings and one switch opening, finished in Night Black brass. It is intended for residential and light commercial wall installations where a unified, all-black aesthetic is specified alongside device access.

The device is rated for 120V AC service at 15A and carries an IP20 rating, indicating suitability for standard indoor dry-location installations. Brass construction supports durability in finish-critical environments.

The unit is UL listed and carries a 1-year warranty.
