

3-Gang Wall Plate, Two Decorator and One Toggle Openings, 120V 15A, Night Black Brass

- 3-gang configuration with two decorator openings and one toggle opening
- Rated for 120V, 15A electrical service
- Constructed from brass for durable interior use
- IP20 rated for dry indoor environments
- Night Black all-black brass finish
- UL listed and backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-3-D-D-T is a 3-gang wall plate kit finished in Night Black all-black brass, configured with two decorator openings and one toggle switch opening. It is intended for residential supply applications where a coordinated, dark-finish plate is required across mixed switch types.

The plate is rated for 120V/15A service and constructed from brass for durability in standard interior wall installations. An IP20 rating indicates suitability for dry indoor environments, and the assembly carries a Non-Waterproof environmental rating.

The product is UL listed and backed by a 1-year warranty.
