

3-Gang Wall Plate, Three Decorator Openings and One USB, Night Black Brass, 120V/15A

- 3-gang configuration with three decorator openings and one USB opening
- Night Black finish over brass construction
- Rated for 120V/15A electrical service
- IP20 rating for dry indoor locations
- UL listed for code-compliant installation
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-3-D-D-U is a 3-gang wall plate configured with three decorator openings and one USB opening, finished in Night Black over brass. It is intended for residential and light commercial installations requiring a consistent all-black finish across multi-device gang configurations.

The assembly is rated for 120V/15A service and constructed from brass for durability in standard interior wall applications. The IP20 rating indicates suitability for dry indoor locations only.

The device is UL listed and carries a 1-year warranty.
