

3-Gang Decorator, Switch and Toggle Combination Wall Plate, Brass, 120V 15A, Night Black

- 3-gang configuration with decorator, switch and toggle openings
 - Constructed from solid brass for device mounting stability
 - Rated for 120V, 15A residential and light commercial circuits
- IP20 rated, classified as non-waterproof for dry indoor use
 - UL listed for code-compliant installations
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-3-D-S-T is a 3-gang wall plate combining decorator, switch and toggle openings, finished in Night Black to provide a uniform all-black appearance across a multi-device installation. It is intended for residential wiring applications, including living spaces, hallways and commercial tenant buildouts where a consistent black finish is specified. The plate is constructed from brass and rated for 120V / 15A service, providing a stable mounting surface for the decorator, switch and toggle devices it houses. Its IP20 environmental rating indicates suitability for dry indoor environments, and it is classified as non-waterproof. The device is UL listed and carries a 1-year warranty.
