

3 - Gang Decorator Wall Plate, Night Black Brass, 120V/15A, UL Listed

- 3-gang configuration with decorator, switch and USB openings
 - Brass construction for a durable mounting surface
 - Night Black/All Black finish for a uniform dark appearance
- Rated 120V at 15A for standard branch-circuit service
 - IP20 rated for indoor dry-location use
 - UL listed and backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-3-D-S-U is a 3-gang decorator-style wall plate configured with decorator, switch, and USB openings, finished in Night Black with brass construction. It suits residential and light commercial supply applications where a uniform dark finish is needed across multi-gang wiring device installations.

The plate is rated for 120V/15A service and carries an IP20 rating, suitable for standard indoor dry-location use. Brass construction provides a durable, stable mounting surface for the decorator, switch, and USB openings.

The device is UL listed and backed by a 1-year warranty.
