

3-Gang Switch Plate, One Decorator and Two Toggle Openings, Night Black Brass, 120V 15A

- 3-gang configuration with one decorator and two toggle openings
- Night Black finish over brass construction
- Rated 120V at 15A for standard residential circuits
- IP20 rating for dry indoor, non-waterproof environments
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-3-D-T-T is a 3-gang wall plate configured with one decorator opening and two toggle openings, finished in Night Black across brass construction for a consistent all-black appearance in residential supply installations.

The plate is rated for 120V at 15A service and carries an IP20 rating for use in dry indoor environments. Brass construction supports durability in standard wall-mounted switch and receptacle assemblies.

The product is UL listed and backed by a 1-year warranty.
