

3 - Gang Wall Plate, Decorator/Toggle/USB Openings, 120V/15A, Night Black Brass

- Three-gang plate with decorator, toggle, and USB openings
- Rated 120 V at 15 A maximum current
- Brass construction with Night Black finish
- IP20 rated for non-waterproof, indoor dry-location use
- UL listed with 1-year warranty coverage

OVERVIEW

The C-VTG-AB-3-D-T-U is a 3-gang wall plate assembly combining one decorator opening, one toggle opening, and one USB opening, finished in Night Black brass. It is intended for residential supply configurations where contractors and property managers need a coordinated multi-device layout in a single plate.

The assembly is rated for 120 V service at 15 A and carries an IP20 environmental rating, suitable for standard indoor dry-location installations. Brass construction supports the Night Black finish across all three device openings for a uniform appearance.

The device is UL listed and backed by a 1-year warranty.
