

3 - Gang Wiring Device Plate, Brass, Night Black Finish, 120V/15A, UL Listed

- Three-gang configuration with matching Night Black/All-Black finish
- Brass construction for device durability
- Rated for 120V operation at up to 15A
- IP20 rating for standard indoor dry-location use
- Non-waterproof environmental rating
- UL listed and backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-3-G-G-G is a build-your-own 3-gang wiring device assembly finished in a coordinated Night Black/All-Black configuration. It is intended for residential wiring installations where a uniform all-black aesthetic is specified across multiple device openings, such as switch or receptacle groupings.

Constructed of brass, the assembly is rated for 120V operation at 15A and carries an IP20 rating, suitable for standard indoor dry-location use in non-waterproof environments.

The assembly is UL listed and backed by a 1-year warranty.
