

3-Gang Toggle Switch Wall Plate, Night Black Brass, 120V 15A, UL Listed

- 3-gang configuration for grouped switch or receptacle openings
- Brass construction with Night Black all-black finish
- Rated for 120V at 15A maximum current draw
- IP20 rated for dry, non-waterproof indoor use
- UL listed for code-compliant installation
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-3-G-S-S is a 3-gang wiring device wall plate finished in Night Black, built for standard residential and light commercial wiring applications. The all-black brass finish provides a consistent, low-profile appearance suited for interior installations.

Constructed from brass, this wall plate is rated for 120V / 15A service and carries an IP20 rating, appropriate for dry indoor environments. It is UL listed and backed by a 1-year warranty.
