OVERVIEW

The C-VTG-AB-3-G-T-U is a 3-gang wall plate finished in Night Black brass, combining one decorator opening, one toggle opening, and one USB opening in a single unified plate. It is intended for residential and light commercial supply applications where mixed device types are consolidated into one gang location.

The plate is rated for 120V/15A service and constructed from brass for durability at the mounting point. It carries an IP20 rating and is classified Non-Waterproof, indicating suitability for standard interior installations rather than wet or damp locations.

The device is UL listed and backed by a 1-year warranty.
