

3-Gang Wall Plate, One Decorator Opening and Two USB, Night Black Brass, 120V 15A

- 3-gang configuration with one decorator opening and two USB openings
 - Brass construction finished in Night Black
 - Rated for 120V circuits at 15A maximum current
- IP20 rated, Non-Waterproof, for dry indoor use
 - UL listed for code-compliant installations
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-3-G-U-U is a 3-gang wall plate configured with one decorator opening and two USB openings, finished in Night Black brass. It is intended for residential and light commercial wiring installations where a uniform all-black aesthetic is specified alongside decorator and USB device combinations. Constructed from brass and rated for 120V/15A circuits, the plate carries an IP20 rating and is classified Non-Waterproof, indicating suitability for dry indoor environments. The product is UL listed and backed by a 1-year warranty.
