

3 - Gang Toggle Switch Plate, Night Black Brass, 120V 15A, UL Listed

- Three-gang plate with three toggle switch openings
- Brass construction in Night Black finish
- Rated 120V, 15A for standard residential circuits
- IP20 rating for non-waterproof, indoor dry-location use
- UL listed for code-compliant installation
- Backed by 1-year warranty

OVERVIEW

The C-VTG-AB-3-T-T-T is a 3-gang wall plate finished in Night Black brass, configured with three toggle switch openings. It is intended for residence supply applications where contractors and property managers specify consistent dark-finish switch hardware across lighting control installations.

Constructed from brass, the plate is rated for 120V, 15A service and carries an IP20 rating for standard indoor dry-location use.

The plate is UL listed and backed by a 1-year warranty.
