

3-Gang Wall Plate, Two Toggle Openings and One USB, Night Black Brass, 120V 15A, UL Listed

- 3-gang configuration with two toggle openings and one USB opening
- Brass construction for durability in standard device runs
- Night Black finish for a uniform residential appearance
- Rated 120V at 15A for standard residential supply circuits
- IP20 environmental rating for non-waterproof indoor use
- UL listed with 1-year warranty

OVERVIEW

The C-VTG-AB-3-T-T-U is a 3-gang wall plate finished in Night Black brass, configured with two toggle switch openings and one USB module opening for combined switching and charging functionality. It is intended for residential supply wiring where a multi-device layout is required in a single gang box.

The plate is rated 120V at 15A and carries an IP20 environmental rating for non-waterproof, indoor use. Brass construction provides a durable finish suited to standard residential and light commercial device runs.

The unit is UL listed and backed by a 1-year warranty.
