

4 - Gang Wall Plate, Decorator and Three GFCI Openings, Brass, Night Black, 120V/15A

- 4-gang configuration with one decorator opening and three GFCI openings
- Brass construction for durability in dry-location wiring installations
- Night Black/All Black finish for consistent multi-device appearance
- Rated 120V/15A for standard residential and commercial circuits
- IP20 rated for non-waterproof, dry-location use
- UL listed with 1-year warranty

OVERVIEW

The C-VTG-AB-4-D-G-G-G is a 4-gang wall plate finished in Night Black/All Black, configured with one decorator-style opening and three GFCI device openings. It is intended for wiring installations requiring a consistent dark finish across multi-device configurations.

Constructed from brass, the plate is rated for 120V/15A circuits and carries an IP20 rating for non-waterproof, dry-location use.

The device is UL listed and backed by a 1-year warranty.
