

4 - Gang Wall Plate, Decorator Opening, Two Switches, Tamper - Resistant Outlet, Night Black Brass, 120V 15A

- 4 - gang configuration with decorator opening, two switches, and tamper - resistant outlet
- Rated for 120V / 15A residential circuits
- Brass construction in Night Black finish
- IP20 rated for standard interior dry locations
- UL listed for code - compliant installation
- Backed by a 1 - year manufacturer warranty

OVERVIEW

The C-VTG-AB-4-D-S-S-T is a 4 - gang wall plate configured with one decorator opening, two switches, and one tamper - resistant outlet, finished in Night Black brass. It is intended for residential supply applications, suited to bedrooms, hallways, and common areas where a coordinated all - black hardware aesthetic is specified.

The plate is rated for 120V / 15A service and carries an IP20 rating, indicating suitability for standard interior dry locations under a Non - Waterproof environmental rating. Construction is brass, providing durable finish hardware for repeated use.

The assembly is UL listed and backed by a 1 - year warranty.
