

4 - Gang Wall Plate, Night Black Brass, One Decorator, One Toggle, Two USB Openings, 120V/15A

- 4 - gang configuration with one decorator, one toggle and two USB openings
- Brass construction with Night Black finish for a consistent dark appearance
- Rated for 120 V circuits at up to 15 A
- IP20 environmental rating for standard indoor dry locations
- UL listed and covered by a 1 - year warranty

OVERVIEW

The C-VTG-AB-4-D-S-U-U is a 4 - gang wall plate finished in Night Black over brass construction, configured with one decorator opening, one toggle switch opening and two USB openings for custom multi - device installations. It suits residential and light commercial wiring where a consistent dark finish and mixed device layout are required. Constructed from brass, the plate is rated for 120 V circuits at 15 A and carries an IP20 environmental rating for standard indoor dry locations, with a Non - Waterproof rating confirming interior - only use. The product is UL listed and backed by a 1 - year warranty.
