

4-Gang Wall Plate, Three Decorator Openings and One USB, Night Black Brass, 120V/15A

- 4-gang configuration with three decorator openings and one USB opening
- Brass construction in Night Black finish for corrosion resistance
- Rated 120V and 15A for standard residential circuits
- IP20 environmental rating for dry, non-waterproof indoor use
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-4-G-G-G-U is a 4-gang wall plate configured with three decorator openings and one USB opening, finished in Night Black brass. It is intended for residence supply installations where a uniform, all-black finish is required across multiple device openings.

Constructed from brass for a durable, corrosion-resistant housing, the plate is rated 120V and 15A and carries an IP20 environmental rating, indicating suitability for dry, non-waterproof indoor locations.

The device is UL listed and backed by a 1-year warranty.
