

4 - Gang Wall Plate, Outlet with Two Toggle Switches and USB Opening, Night Black Brass, 120V 15A

- 4-gang configuration with outlet, two toggle switches and USB opening
- Brass construction with Night Black finish
- Rated for 120V, 15A electrical service
- IP20 rated for non-waterproof, dry-location use
- UL listed for code-compliant installations
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-4-G-S-S-U is a 4-gang wall plate configured with one outlet opening, two toggle switch openings and one USB opening, finished in Night Black brass. It is intended for custom residential wiring installations where contractors and electricians need a decorative yet functional multi-device plate for upscale builds or renovation projects. Constructed from brass with a Night Black finish, the plate is rated for 120V, 15A service and carries an IP20 rating, suitable for standard indoor dry-location use. The product is UL listed and backed by a 1-year manufacturer warranty.
