

4 - Gang Wall Plate, One Decorator and Three USB Openings, Night Black Brass, 120V 15A

- 4-gang configuration with one decorator opening and three USB openings
- Night Black brass finish for a consistent dark hardware appearance
- Rated 120V at 15A for standard residential branch circuits
- IP20 environmental rating for indoor dry-location use only
- UL listed for verified electrical safety compliance
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-4-G-U-U-U is a 4-gang wall plate finished in Night Black brass, configured with one decorator opening and three USB openings for combined switch, receptacle and charging access. It suits residential and light commercial wiring installations where multiple device types are consolidated into a single plate.

The unit is rated for 120V at 15A and carries an IP20, non-waterproof environmental rating, making it suitable for indoor dry-location use only.

It is UL listed and backed by a 1-year warranty.
