

4-Gang Wall Plate, Night Black Brass Finish, 120V 15A, UL Listed

- Four-gang layout with one switch, two toggle, and one USB opening
- Solid brass construction with Night Black all-black finish
- Rated for 120V service at up to 15A
- IP20 environmental rating for standard interior use
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-4-S-T-T-U is a 4-gang wall plate configured with one switch opening, two toggle openings, and one USB opening, finished in Night Black over solid brass. It is built for residential electrical installations where a coordinated all-black device layout is required across multiple switch and receptacle positions.

The plate is rated for 120V service at 15A and carries an IP20, non-waterproof environmental rating, making it suitable for standard interior use rather than wet or damp locations.

The assembly is UL listed and backed by a 1-year warranty.
