OVERVIEW

The C-VTG-AB-4-S-T-U-U is a 4-gang wall plate assembly configured with one switch opening, one toggle opening, and two USB openings, finished in Night Black brass for a uniform all-black appearance across multi-device residential supply installations.

The plate is constructed from brass with a Night Black finish and is rated for 120V/15A service. It carries an IP20 environmental rating and is classified Non-Waterproof, indicating suitability for standard indoor dry locations.

The assembly is UL listed and backed by a 1-year warranty.
