

4 - Gang Wall Plate, One Toggle and Three USB Openings, Night Black Brass, 120V/15A UL Listed

- 4 - gang configuration with one toggle and three USB openings
 - Brass construction with Night Black finish
 - Rated 120V at 15A maximum current draw
- IP20 environmental rating for non - waterproof indoor use
 - UL listed assembly
 - Backed by a 1 - year warranty

OVERVIEW

The C-VTG-AB-4-T-U-U-U is a 4 - gang wall plate finished in Night Black, configured with one toggle switch opening and three USB device openings. It is built from brass and suits residential or commercial interiors where a uniform all - black device layout is specified.

The plate is rated for 120V/15A service and carries an IP20 non - waterproof environmental rating, making it suitable for standard indoor supply circuits rather than wet or damp locations.

The assembly is UL listed and backed by a 1 - year warranty.
