

4 - Gang Wall Plate, Four USB Openings, Night Black Brass, UL Listed, 120V/15A

- 4-gang configuration with four USB openings
 - Night Black brass finish for uniform all-black installations
 - Rated 120V/15A for standard residential supply circuits
- IP20 environmental rating for non-waterproof indoor use
 - UL listed assembly
 - Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-4-U-U-U-U is a 4-gang wall plate configured with four USB openings, finished in Night Black brass for installations requiring a uniform all-black aesthetic across multiple device positions. It is built for residential and light commercial supply points where switches, receptacles or USB charging modules are combined behind a single plate.

The plate is rated for 120V/15A service and carries an IP20 environmental rating for non-waterproof, indoor use. Brass construction supports repeated device swaps without deforming the mounting ears.

The assembly is UL listed and backed by a 1-year warranty.
