

5 - Gang Decorator Wall Plate, Night Black Brass Finish, 120V/15A, UL Listed

- Five decorator openings configured across a single 5-gang plate
- Night Black brass finish for a uniform all-black appearance
- Rated 120V, 15A for standard residential circuits
- IP20 rated for non-waterproof, indoor installations
- UL listed for code-compliant electrical projects
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-D-D-D-D-D is a 5-gang decorator-style wall plate finished in Night Black brass, intended for residential and light commercial wiring where a uniform, all-black aesthetic is required. The plate is configured with five decorator openings arranged in a single gang row, suitable for grouped switch, receptacle or dimmer installations.

The device is rated for 120V and 15A circuits and carries an IP20 rating for non-waterproof, indoor use. Brass construction supports the finish and provides durability in standard wall-mount applications.

The product is UL listed and backed by a 1-year warranty.
