

5 - Gang Wall Plate, Three Decorator Openings and Two Duplex Openings, Night Black Brass, 120V/15A

- Five-gang plate with three decorator and two duplex openings
- Brass construction finished in Night Black
- Rated 120V at 15A maximum current draw
- IP20 rated for non-waterproof indoor use
- UL listed assembly
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-D-D-D-S-S is a 5-gang combination wall plate configured with three decorator openings and two duplex receptacle openings, finished in Night Black brass. It is intended for residential supply applications requiring a custom multi-device faceplate in a single gang arrangement.

The plate is rated for 120V/15A service and constructed from brass, providing durability suitable for standard interior installations. IP20 protection is indicated, appropriate for dry, non-waterproof indoor environments.

The assembly is UL listed and carries a 1-year warranty.
