

5 - Gang Wall Plate, Night Black Brass, Three Decorator, One Switch, One Duplex, 120V/15A

- Five-gang configuration with three decorator, one switch, one duplex opening
- Brass construction finished in Night Black
- Rated 120V at 15A for standard residential circuits
- IP20 environmental rating, Non-Waterproof classification
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-D-D-D-S-U is a five-gang wall plate assembly finished in Night Black brass, configured with three decorator openings, one switch opening, and one duplex receptacle opening. It is built for residential supply applications requiring a custom multi-device faceplate in a single gang unit.

Constructed from brass and rated for 120V/15A service, the plate carries an IP20 environmental rating and is classified Non-Waterproof, suitable for standard indoor dry-location installations.

The assembly is UL listed and backed by a 1-year warranty.
