OVERVIEW

The C-VTG-AB-5-D-D-D-T-U is a 5 - gang wall plate kit in a Night Black brass finish, configured with three decorator openings, one toggle opening, and one USB opening. It is intended for residential supply applications where a custom multi - device wall plate configuration is required in a single gang assembly.

Constructed from brass with a Night Black finish, this kit is rated for 120V/15A service and carries an IP20 rating, suitable for standard indoor dry - location installations.

The assembly is UL listed and backed by a 1 - year warranty.
