

5 - Gang Wiring Device Plate, Night Black Brass, Two Duplex, One GFCI, Two USB Openings, 120V/15A

- Five-gang configuration with two duplex, one GFCI, and two USB openings
- Brass construction with Night Black finish throughout
- Rated for 120 V and 15 A electrical service
- IP20 environmental rating for standard indoor dry locations
- UL listed for compliance verification
- Backed by a 1 - year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-D-D-G-U-U is a 5-gang wall plate finished in Night Black brass, configured with two duplex receptacle openings, one GFCI opening, and two USB openings. It is intended for custom residential supply installations where multiple device types must be combined at a single gang location.

Constructed from brass with a Night Black finish, the plate is rated for 120 V / 15 A service and carries an IP20 environmental rating, suitable for standard indoor dry locations.

The plate is UL listed and backed by a 1 - year warranty.
