

5 - Gang Wall Plate, Two Duplex Openings, Two Switch Openings, One Toggle, Night Black Brass, 120V/15A

- 5-gang configuration with two duplex receptacle openings
 - Two switch openings plus one toggle switch opening
 - Brass construction in Night Black/All Black finish
- Rated 120 V at 15 A maximum current draw
 - IP20 rated for non-waterproof, indoor dry-location use
 - UL listed with 1-year warranty

OVERVIEW

The C-VTG-AB-5-D-D-S-S-T is a 5-gang wall plate assembly finished in Night Black, configured with two duplex receptacle openings, two switch openings, and one toggle switch opening in a single unit. It suits residence supply installations requiring a uniform dark finish across multiple device types in one location.

Constructed from brass, the assembly is rated for 120 V circuits at 15 A maximum current and carries an IP20 rating, suitable for standard indoor dry-location use in non-waterproof environments.

The device is UL listed and backed by a 1-year warranty.
