

5 - Gang Wall Plate, Two Duplex, Switch, Toggle, USB Openings, 120V/15A, Night Black Brass

- Five-gang wall plate with two duplex, one switch, one toggle, one USB opening
 - Night Black all-black brass finish for a uniform dark hardware look
- Rated 120 V / 15 A for standard residential branch circuits
 - IP20 environmental rating for indoor dry-location use
 - UL listed assembly
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-D-D-S-T-U is a 5-gang wall plate assembly finished in Night Black all-black brass, configured with two duplex receptacle openings, one switch opening, one toggle opening, and one USB opening in a single gang assembly. It is intended for residential supply applications requiring a custom multi-device configuration in one location.

Constructed from brass, the plate is rated for 120 V / 15 A circuits and carries an IP20 environmental rating, suitable for standard indoor dry locations. It is not rated for waterproof or wet-location use.

The assembly is UL listed and backed by a 1-year warranty.
