

5 - Gang Decorator Wall Plate, Night Black Brass Finish, 120V/15A, UL Listed

- Five decorator-style openings in a single 5-gang plate
 - Brass construction with Night Black all-black finish
 - Rated 120V at 15A maximum current draw
- IP20 environmental rating for non-waterproof interior use
 - UL Listed for code-compliant installation
 - Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-D-G-G-G-G is a 5-gang decorator-style wall plate finished in Night Black with an all-black brass construction, intended for residential and light commercial supply applications requiring a uniform dark finish. The plate accommodates five decorator-style device openings arranged in a single-gang row, suitable for multi-switch or multi-outlet wall installations. It carries a 120V, 15A rating with an IP20 non-waterproof environmental rating. A 1-year warranty backs the unit, and the device is UL Listed.
