

5 - Gang Wall Plate with Decorator, Dual GFCI, Switch and Toggle Openings, Brass, 120V/15A, Night Black

- Five-gang layout: decorator, two GFCI, switch and toggle openings
 - Solid brass plate construction
 - Night Black (All Black) finish for uniform dark aesthetic
- Rated 120V/15A for standard branch circuits
 - IP20, Non-Waterproof rating for interior installation
 - UL listed with 1-year warranty

OVERVIEW

The C-VTG-AB-5-D-G-G-S-T is a 5-gang wall plate configured with one decorator opening, two GFCI openings, one switch opening and one toggle opening, finished in Night Black (All Black) for a uniform dark appearance across multi-device outlet runs. Construction is solid brass, suited to commercial or upscale residential installations requiring coordinated switch and receptacle coverage.

The plate is rated for 120V/15A circuits and carries a Non-Waterproof, IP20 environmental rating for standard interior use. It is UL listed and backed by a 1-year warranty.
